November 10, 2020

Hoping that this letter reaches each of you healthy and safe.

During the week of November 16, 2020, we will be administering to the 9<sup>th</sup> and 12<sup>th</sup> grade students the Start Strong Assessment Science (NJSLA-S). This test will be taken on the students' devices and it takes between 45-60 minutes.

This assessment can be taken over the course of two days if needed. There will be no changes to the Hybrid school schedule and the test will be given during the students' regular class period; Biology for 9<sup>th</sup> graders, and Physical Education for 12<sup>th</sup> graders.

Prior to the test administration, the student log in and usernames will be distributed by the teacher.

Practice materials for NJSLA-S can be found at: <https://measinc-njscience.com/>

Thank you for your support.

Sincerely,

A handwritten signature in black ink that reads "Mrs. D. Krok". The signature is written in a cursive style.

Mrs. D. Krok
